                        Heiko Geppert
                        Tobias Klotz
                        Clemens Lieb
                        Daniela Nicklas
                        Simon Reiß
                        Dominik Schreiber
                        Verena Schütz

Layout and Editing      Dominik Schreiber

Special Thanks to       Dirk Pflüger, for the initial idea
                        and for the "Core Dump" songbooks
                        serving as an inspiration
